The Road That Jesus Walked

There was a road that Jesus walked from which He, Jesus couldn't hide. He had to bear that cross alone. He was the Christ they crucified.

There is a road that we must walk mid thorny briars of pain and care though Jesus walk along beside there is a cross we too must bear.

There is a hope to help us live.

There is a faith to help us die.

There is a love to help us give.

There is a joy to help us try.

There is a crown that we will share whenever this earthly trial is thru, there is a glory road up there where Jesus waits for me and you.

FAITH IS...

I have recently read several articles on what faith is and I want to share some of those thoughts with you this week. To start, let's realize that

FAITH IS LEAPING INTO THE UNKNOWN (see Acts 3:8)

Faith is often called a 'leap'. How else could you possibly move from one point to another where there is no direct physical link? How else could you cross over a crevice where there's no bridge. Faith is leaping across the gaps that exist between.

- . The know and the unknown
- . The actual and the possible
- . The knowledge and the mystery
- . Truth exposed and truth undiscovered
- . Goals achieved and ones still pursued
- . Youth and Maturity
- . Time and Eternity
- . The proven and the unproven
- . The 'I've got it & The 'I want it
- . The material vs. The spiritual reality
- . Sickness and Health
- . Sin and Forgiveness
- . Life and Death

There is always a chasm between today and tomorrow. I don't know for sure I can cope with tomorrow but, by a running leap I jump into tomorrow with expectancy and trust in God. There is always a chasm between my present achievements and my unfulfilled hopes and dreams. By faith I make the leap and grow spiritually. There is always a chasm between where I'm at and where I'm going. By faith I make the leap forward. What lies ahead in this life...tomorrow...next week or next month...we don't know for sure. But we can choose faith in God. We can believe in Jesus Christ and the promises He's given us in His word. We can take the leap of faith.

FAITH IS KNOWING IT CAN BE DONE... Faith is an inner conviction .. Faith is an unshakeable assurance...faith is the profound "knowing" that comes before reality confirms it.. Faith is a sense of providence ~ knowing you can do ~ knowing it's going to happen. A person who walks the walk of faith knows they can ~ with God's help ~ solve the problem. They know that with the help of the Holy Spirit, they can detach themselves from that awful habit. They know they can extricate themselves from those negative enslavements. They trust God to help them get their lives in order. They realize they can do it only with the help of the Lord...for He is their best friend and wants them to succeed. The process of faith works because of the truth Jesus shared with each of us in John 15:5~ "I am the true vine and you are my branches. If you remain in me and I remain in you, you will bear much fruit.

....And, Paul got it right in Phil4:13 !!!

Spiritual Text to Ponder

Romans 5 : 1 ~ 5

Therefore, having been justified by faith, we have peace with God through our Lord Jesus Christ. Through whom also we have access by faith into this grace in which we stand and rejoice in hope of the glory of God. And not only that but we also glory in tribulations knowing that tribulation produces perseverance and perseverance, character and character hope. Now hope does not disappoint because the love of God has been poured out in our hearts by the Holy Spirit who was given to us.
