Auburn Sewing Ministry News

The closing of 2014 marked our 3rd year. We count our work by quarters with pillowcases being due at the end of each quarter. It is only fitting at this time to report our progress to our Auburn Church Family.

In 2014 we distributed 100 pillowcases.

This brings our cumulative total for the three-year period to 325 pillowcases being distributed in the Auburn Community. We thank the ministries of the church that requested the pillowcases as a tool to continue God's work in Auburn.

For the past three years we have included a book and a card noting that the gift is from our church. We have had a goal to go a step further by creating a label that is sewn inside the pillowcase. 2015 is our year of meeting this goal. Above you will see our new addition. These labels will allow the recipients to remember where their cheerful, colorful pillowcase came from. We would also like the group to grow! Please consider joining us. **Our next fellowship is February 16th, 10:00 am – until @ 2061 Indian Hills Way in Bethlehem, GA.**

Pack a lunch, bring your current project, and come join us. We look forward to seeing you there. First quarter cases are spoken for. If your ministry or department is considering 2nd quarter's cases let us know in advance so we can determine the fabrics needed. We thank you for keeping in mind that they stay in our local community.

We love, because He first loved us. -1 John 4:19

Offering Today

Our offering today is for Adventist Television Ministries. Many people have joined the church because of listening to one of our programs on TV. Today's offering will help to support such programs as, *Breath of Life*, *Faith for Today*, and *It Is Written*. Thank you for giving generously to keep these programs on the air.

General Conference session will be held July 2 – July 11, 2015. There may be some interest in a group going the last weekend for the grand finale. If you think you would like to be part of a group traveling together, see Shelli-Ann Jackson. Her phone number is, 770-237-3613.
